

Run with Perseverance

FRIDAY 6TH -
SUNDAY 8TH JULY

CRIMINAL RECORD BUREAU CHECKS (CRB Checks)

All adults (18+) who are staying on the Spree Wales site overnight or any adult who is in anyway involved in managing or running activities, workshops, venues etc must have had an enhanced CRB check within the last 5 years.

Spree Wales need the details of every adult's CRB - number, date of check and organisation who performed this check. In addition to this, if a CRB check has not been performed by one of our partners (see logos at the bottom of this page) a copy of the CRB must be sent through to Urban Saints. The address is at the end of this letter.

Each main group leader must have had an enhanced CRB check with one of our partners.

Urban Saints have agreed to administer CRB checks free of charge on behalf of Spree Wales. If any adult requires an enhanced CRB check please email Esther O'Sullivan your name and address on EOSullivan@UrbanSaints.org as soon as possible. Please put Spree Wales 2012 Enhanced CRB Check as the subject of your email.

Day visitors and other adults that are not staying overnight need to provide an enhanced CRB number, organisation who completed the check and date of check. Any day visitor who hasn't had a check in the last 5 years will be required to be escorted by their group leader, a member of staff or the service crew at all times.

Please note: send all copies of CRBs to Esther O'Sullivan, Urban Saints, Kestin House, 45 Crescent Road, Luton, Beds, LU2 0AH.
