

Run with Perseverance

FRIDAY 6TH -
SUNDAY 8TH JULY

WHAT IS SPRee WALEs?

Spree Wales is an action-packed weekend away for children aged 8-15. There are activities galore - canoeing, go-karts, bouncies, cycling, competitions, talents show, football tournament, face painting, craft, rugby training ... the list goes on! There are also talk and chats, challenging the youth to look at their lives how God does.

HOW DOES IT WORK?

Spree Wales is quite a large event - around 800 people are at the venue. The venue is a field in Llanelli - that is totally secured by fencing and has toilet blocks and shower blocks. It's made up of lots of different youth groups coming together - each group (like ours) cooks their own food and supplies their own tents. You bring along your clothes, shoes, sleeping bags and pillows and everything else is provided. (A full list of items to bring will be supplied closer to the time.)

WHO WILL BE THERE?

Our group will be led by (insert your leaders names here). Helping him to run it, drive the minibus, sort out the cooking and everything else that is involved will be (enter anyone else's names here).

HOW MUCH DOES IT COST?

The cost depends on when you book! If you confirm your place by 15th April then you'll pay (insert your cost here) - this includes your food for the weekend and all transport. If you book your place after this, the cost rises to (insert your cost here).

WHAT NOW?

If you're interested in coming to Spree Wales 2012, then you'll need to get your parents to complete a Parental Consent Form. You'll also need to bring your money along to one of the events at (insert your group here) and pass it to (insert your leaders names here). If you have any questions you can ring (insert contact details here).

It's a fantastic event - everyone that has come along has enjoyed it! We've been going as a group for 5 years and it's been brilliant each time. We'd love to take you too :)
